The salary set forth in this Schedule has been calculated based on anticipated legislative appropriations and revenue control limit adjustments that are required to be enacted pursuant to A.R.S. § 15-901.01. If, after issuance of the Contract, the District's total revenues or budget capacity are less than that set forth in the Preliminary Budget, individual's salary may be reduced pro rata with all staff. If, after the issuance of the Contract, the District receives appropriations or revenue control limit adjustments in excess of the minimum required amounts set forth in A.R.S. § 15-901.01, the Governing Board reserves the right, in its discretion, to increase individual's salary. Employees who have retired with the Arizona State Retirement System (ASRS) and return to work for the District are responsible for the Alternative Contribution Rate (ACR) paid to ASRS, and the salary for ASRS retirees will reflect a reduction equivalent to the applicable rate to compensate the District for payment of the ACR pursuant to A.R.S. §38-766.02.
