For any employee placed on this schedule at the max step allowable for a second continuous year, or longer, where the employee did not receive any increase in pay from last year to this year for step movement on this schedule, then that employee will be eligible for a cost-of-living adjustment raise, subject to Board approval and in the Board's discretion. The amount and timing of any cost-of-living adjustment raise will be determined by the Governing Board on an annual basis, is not guaranteed to be paid in any given year or any future year and will not be added to the base salary amount of any employee's compensation for future years. The cost-of-living adjustment raise is intended to be awarded as a one-time stipend payment.

The salary set forth in this Schedule has been calculated based on anticipated legislative appropriations and revenue control limit adjustments that are required to be enacted pursuant to A.R.S. § 15-901.01. If, after issuance of the Letter of Intent, the District's total revenues or budget capacity are less than that set forth in the Preliminary Budget, individual's salary may be reduced pro rata with all staff. If, after the issuance of the Letter of Intent, the District receives appropriations or revenue control limit adjustments in excess of the minimum required amounts set forth in A.R.S. § 15-901.01, the Governing Board reserves the right, in its discretion, to increase individual's salary. Employees who have retired with the Arizona State Retirement System (ASRS) and return to work for the District while receiving ASRS pension income will receive a reduction of eleven percent (11%) of compensations paid pursuant to this salary schedule.
