

WHAT'S COOKING

Monthly Partnership Review

November 2024

Great Things are Happening in the Cartwright District!

The food service department recently hosted a heartwarming Thanksgiving lunch event for students, families, and staff, fostering a sense of community and gratitude. Held in the school cafeterias, school libraries, and other designated locations on campuses. The event featured a traditional Thanksgiving meal, including turkey, mashed potatoes, stuffing, and pumpkin bread, prepared with care and served to all attendees. Parents and siblings were invited to join in the celebration, creating a festive atmosphere of togetherness. The event not only provided a delicious meal but also served as an opportunity for the Cartwright School District to show appreciation for its scholars and families, highlighting the importance of unity and giving thanks. It was a memorable occasion that strengthened the bonds within the school community and brought joy to all those involved.
